**Underscore the importance of honesty by helping your children to create  
“certificate of authenticity” that verifies they speak the truth. Have your  
children complete this project early, so you can refer to it often in the days  
ahead.**

# Certificate of authenticity

## Directions

- **Using thick cardstock, write at the top of each page “Certificate of Authenticity.” Just below this write, “This certificate tells us that what \_\_\_\_\_ says is true.”**
- **Provide materials and allow your child to decorate his/her certificate, creating a border with Colourful foil paper strips, lace, glitter, buttons or other fun embellishments.**
- **While your child is working on his/her certificate, explain that just as we delight in beautiful things, God delights in us when we tell the truth.**
- **After the certificate is complete, admire your child’s creations and let her/him know you are pleased with such beautiful artwork. Use this as an opportunity to speak a blessing – letting him/her know how pleased you are to have child who always tell the truth.**

**For the duration of the time that you are focusing on honesty, give your child a smiley face sticker to add to his/her certificate whenever he/she tell the truth. God delight with us when we tell the truth.**

## Planning card for honesty

### Religion's way

I have the morals of prophets and messengers when:

- ✓ I am honest in all that I say
- ✓ I tell the truth
- ✓ I don't hide what I know in order to avoid consequences

### My way

When I am tempted to:

- ✗ be dishonest or lie
- ✗ tell only part of the truth
- ✗ take things that are not mine or steal
- ✗ embellish or misrepresent the truth

I know that I need help.
